

Welcome to Westcott House

In 1988, proprietors John & Julie Charalambous, both qualified nurses, established Westcott House Nursing and Residential Care Home in Westcott Near Dorking

Westcott House is a dual registered home providing care for both residential clients and nursing clients.

Our category of registration is Elderly Mentally Infirm (nursing clients) and people suffering from a past or present mental illness and advanced age groups (residential clients).

We have achieved an excellent reputation in providing care for our specialist group of clients.
